

Minutes of an additional meeting of Cartmel Fell Parish Council held by ZOOM on Tuesday 26th January 2021 at 8pm.

Present were Councillors Helen Smith (Vice-Chairman, in the Chair), Chris Cannon and Mike Smith and Parish Clerk Kevin Price. Apologies for absence were accepted from Councillor Alan Telford.

Two planning applications were considered:

7/2021/5013 Ghyll Crag, Newby Bridge Road. Proposed single storey building to house swimming pool.

The Council does not raise any specific objections to this applications but does have concerns about the general principle of continued development along this stretch of the A592.

The Council does request that other road users should be taken into consideration and while works continue that works vehicles are parked within the property area and not on the roadside.

There was concern as to whether the Bat survey specified in the previous application at this location had been completed.

7/2021/5018 Hill of Oaks Caravan Park. Replacement of existing jetty on same site as existing, extended a further 10m into the lake.

The Council does not object to this application. One comment was received that the proposed jetty is too long but that was all.

The meeting closed at 8.35pm
